

# Orange Star Base instructions

## step 1

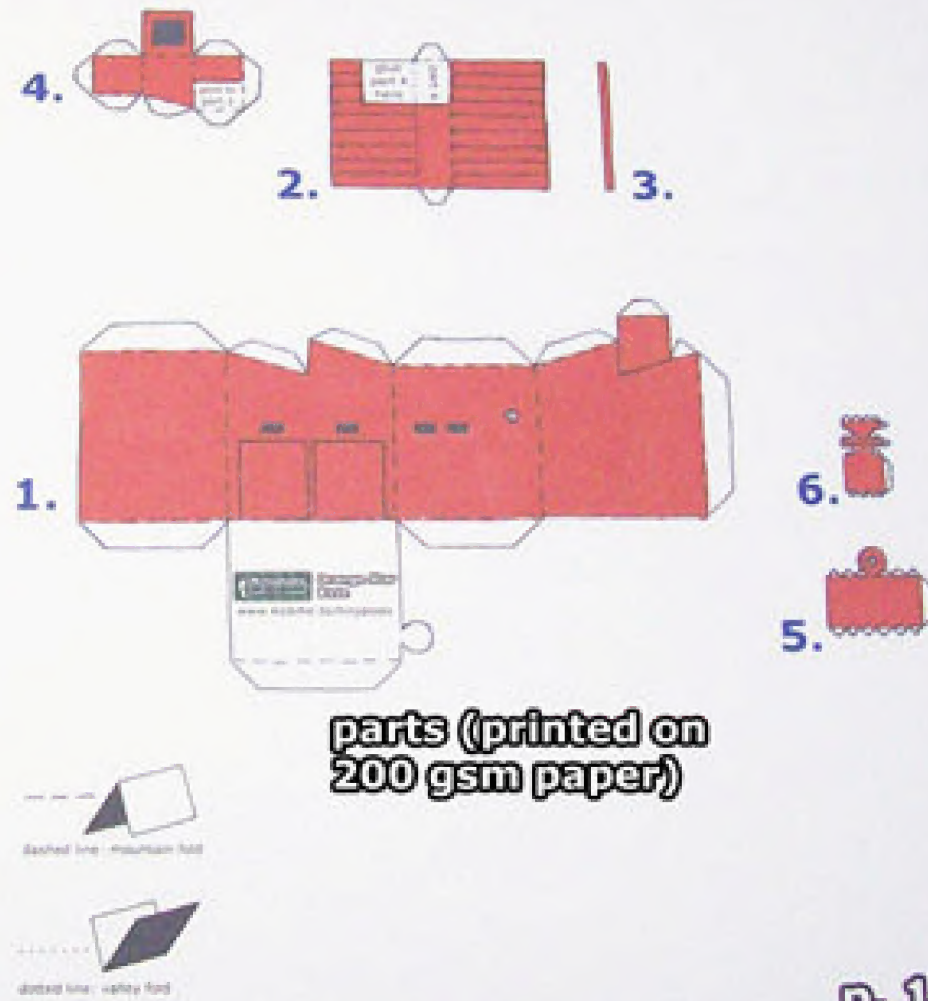

### Orange Star Base

In the 2001 Game Boy Advance turn-based strategy game Advance Wars, you can buy new units at friendly bases to reinforce your army.

New units can not move on the same turn they were produced though, so avoid buying expensive units like Rockets that have a low defense when there are enemy troops nearby or they'll be immediately picked off...

You really don't need a lot of different tools to build a papercraft model! ;o)

## step 2

Start by cutting out and assembling part 1. Then pre-shape part 2 as shown here and cut out part 3...

## step 3

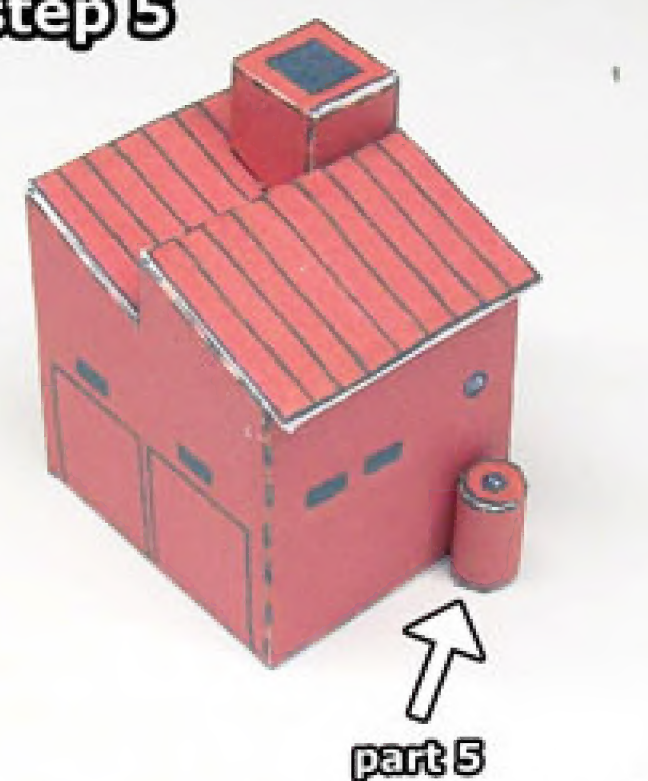

Glue part 2 on top of part 1 to form the roof, and then glue part 3 underneath the overhang on the right. Then cut out and assemble part 4...

## step 4

...and then glue it on top of the roof to form the chimney. Then cut out and assemble part 5 as shown here...

## step 5

...and then glue it to the side of the building as shown here.
